

Technical drawing of a vertical probe. The drawing shows a side view with dimensions and a cross-sectional view at the top. The dimensions are as follows:

- Total height: 50 ± 0.2
- Height of the upper section: 10 ± 0.2
- Height of the middle section: 40 ± 0.1
- Height of the lower section: 4.5 ± 0.1
- Width of the upper section: 10 ± 0.2
- Width of the middle section: 8 ± 0.1
- Width of the base: 12.5 ± 0.1

The cross-sectional view at the top shows a circular feature with a central hole and a textured outer ring. The base of the probe is labeled "PI" and has a cross-hatched pattern. The text "Capture direction" is written above the drawing.
